# THE BIG PICNIC

Did you know that 50 years ago we nearly lost the Rye to a road development?

If it hadn't been for the vigilance and courage of a few people taking the lead in protecting this precious asset, we would not be able to enjoy its peace and tranquillity today. They were known as the Rye Protection Society - and went on to form the High Wycombe Society.

Having enjoyed 50 years more of our town's well-loved open space, the High Wycombe Society has joined forces with the Open Spaces Society - who themselves celebrate 150 years this year - to host the BIG PICNIC which is a celebration of the Rye for the whole community.

So grab your friends and family, dig out a blanket, find the Frisbee and pack a picnic to come and join us!  
We'll provide the entertainment!
